THE APPEAL FOR 1872.

The circulation of the APPEAL is increasing so rapidly that our former facilities are made nate to the work required. We are therefore estrained to order a double-cylinder Hos press for our purposes, the first ever ordered pense we intend, at an early day, to prese pense we intend, at an early day, to present the APPFAL to its readers in an entire new RELIABLE INSURANCE dress, greatly enlarged and otherwise in proved. The proposed improvements will cost us about ten thousand dollars; but this outlay is due to those who have so generously pat conized the paper, while it will be an in tive for increased support. Now is the time to subscribe for the APPEAL for Those who intend to take the paper n St. Louis year should remit at once, in order that the subscriptions may commence with the year. Great as the prosperity of the APPEAR solved that past issues shall be exceede varied excellence and interest by those of 1872. The proceedings of congress, the preside any other impending questions, will com oine to invest a newspaper in 1872, with pr ound interest. It will be the constant aim of he APPRAL to present an instructive pan ams of the world. Instead of emptying ts columns everything presented and and stupidest, every department of the p epitome of the world's doings. In a word, stly and interestingly; to aid in all good auses; to expose abuses and glimulate orm; to represent the most liberal thoughts nd highest tendencies of the time; to welsome all schemes that promise good; to e ourage all human enterprises; to stimulate culture of all the better parts of our nature and to condemn and upset the bad and to war upon cliques, coteries and "rings." In view of the momentous issues bound up

n the hidden mysteries of 1872, we expect a ment in case of loss, shall certainly make the Appear deserving of large patronage.
